305/75R24.5	4410 - 28	4410 - 29	4410 - 29	4410 - 34

Note: Envelope sizes suggested are to be used only as a guide. Variation in tyre sizes and dimensions, precured tread designs and precure tread thickness may require a smaller or larger size envelope. It may be necessary to measure the built tyre to determine the correct envelope size in some instances.
